Discussion Items –

♦ ***FEMA Flood Map Changes*** – Tom Garigen presented a power point presentation on Horry County Flood Map updates and changes affecting citizens in flood prone areas. 65000 citizens received postcards notifying them that their property is now being considered for flood zone changes. There were several meetings for citizens to view the preliminary flood maps and how they may affect current flood zones. These preliminary maps have been released by FEMA and will replace existing Flood Insurance Rate Maps.

♦ ***Overview of Coastal Waccamaw Stormwater Education Consortium and Outreach Activities*** - Lisa Swanger, CWSEC Coordinator, presented a power point presentation describing the duties, goals and activities that are part of the Consortium. Lisa passed out a handout with very informative information about the Consortium. *See attached.*

♦ Susan Libes discussed ongoing testing from the October 2015 flooding event.

♦ Thom Roth ended the discussion with an overview of the January and February monthly reports.

End of discussion items.

Next meeting is May 31, 2016 at 3pm in Room C of the Government & Justice Center.

Liston Wells asked for motion to adjourn the meeting. Motion made by Windle Cannon, seconded by Jerry Bouthet. All approved.
